STATEMENT OF POLICY BY THE GWFSA BOARD OF DIRECTORS

“Each person having any responsibility whatsoever for a team participating in the GWFSA is responsible for reading and understanding these rules. In the event charges of infraction of these rules are made against a captain, coach, player, manager and/or team representative, claims by said accused person of ignorance of these rules will not be considered a viable defense to said charges. It is each team’s responsibility to see to it that each person having any responsibility for the team receives a copy of these rules or are instructed to read the rules as posted on the GWFSA web page and that said rules are understood by all of the team’s coaches, players and/or representatives.”

“The by-laws and rules and regulations of the GWFSA were written for the benefit for the association and its players. While the bylaws and rules and regulations are intended to be comprehensive and thorough, it should be understood that not all situations, circumstances, and events can be anticipated, and therefore, covered precisely. Further it is recognized that on occasion conflicting rules or statements occur. Therefore, it shall be the firm policy of this Board in resolving such conflicts to exercise its authority to override and/or interpret these rules, regulations and by-laws in keeping with the intent and purpose and in the best interest of the association and the spirit of the game.”

Developmental Teams

A Developmental Team (4U,5U,6U,7U,8U,9U or 10U) moving up into an age division early may increase its roster size only to the maximum available roster size of the division from which it left. Any added players must be added only from the pool in the age group in which the team playing up will be competing. For example, a 8U team moving up to 9U early may have players added from the 9U pool, but not from any 8U pool. Developmental teams moving up to an older age division must have written permission from the parent of each player registered on the team.

F Teams refusing to play or continue after being so ordered by the referee shall forfeit the game.

G Three (3) points shall be awarded for a win, one (1) point for a tie, none for a loss. The point system is used to determine seeding for the post season tournament. In divisions where there is an uneven number of teams and each team does not play every team in that division twice, the results of the first match the two teams played is thrown out of the season standings and the points for said match do not count toward placement for that season. If two or more teams are tied in points at the end of the regular season, and neither team has defeated the other during regular season play, GWFSAs post season tournament tie breaker procedure will be used to determine placement.

H The two referee system will not be allowed.

Section 3 Post Season Tournament Rules

A Each team must notify the tournament director before the finish of week six's (6) games by posting a performance bond, the amount of which will be set by the Executive Board,

if they want to play in the post season tournament. A team will not be allowed to enter after this deadline.

- B** All teams will be seeded into the Tournament based on their regular season finish. The number of teams participating in each age group will determine the elimination bracket that will be used.

C Post Season Tournament Rules of Play:

1. Each team must have numbered alternate jerseys or numbered T-shirts available with a unique number for each player. Violators will be removed from the field and not allowed back on the field of play until player equipment is corrected. Home Team is team listed first on schedule. Home Team will change jerseys if there is a color conflict. Home Team will occupy either the North or West side of playing field, except at complexes which are setup for teams/players to be on the opposite side of the field from spectators.
2. A game shall be declared a forfeit if a team is not ready to play at the published time of the mini-games and within ten (10) minutes of the full-length games. At half-time the teams must be ready to resume play within five (5) minutes of the referee's designation.
3. A game shall be declared a forfeit by the Cup & Games Committee or tournament committee if an ineligible player participates in a game. Any protest of ineligible player must be reported in writing, with either a twenty five dollar (\$25) cashier's check, money order or cash deposit before the end of the game to the tournament field headquarters.
4. Teams will play Mini-Games in preliminary & quarter-final games. Semi-final and Final games will be full length. Half-time will be five (5) minutes.

- U14 35 Minute Halves (2) 10 Minute Halves
- U16 40 Minute Halves (2) 10 Minute Halves
- U19 45 Minute Halves (2) 10 Minute Halves

5. Brackets with three (3) or four (4) teams that play each other within the bracket, the teams with the highest total points will advance from the bracket. Three (3) team brackets that play crossover games with other three (3) team brackets, the team with the highest total points of the two (2) brackets will advance. Mini games may end in a tie. If Quarter Final games end in a tie, IFAB "kicks" from the penalty spot will be taken to determine the winner. If semi-final or final games end in a tie, two (2) overtime halves will be played, and if the game is still tied at the end of the second overtime period, IFAB "kicks" from the penalty spot will be taken to determine the winner.

GWFSA scoring system for mini-games will be as follows:

- a. 6 points for a win
- b. 3 points for a tie
- c. 0 points for a loss
- d. 1 point per goal scored in the game with a maximum of 3
- e. 1 point for a shutout (not allowing opponent to score)
- f. A forfeit game will be scored at a 3-0 win in calculating mini-games points for tiebreaker determination.

In age brackets that contain flights with different numbers of teams, points will be determined on a 10-point system. All teams will divide points by total games scheduled.

GWFSA tiebreaker system for mini-games will be as follows:

If two or more teams are tied in points after their mini-games are completed, the following tiebreaker procedures

will be used to determine the team advancing:

- a. Head to Head game results - winner will advance.
- b. Most number of "shutouts" - team with most "shutouts" will advance.
- c. Goal differential – team with highest goal differential (goals scored – goals against) against opponent will advance (maximum of three (3) goal differential). (Example: A 7-0 game = 3-0 in calculating advancement; a 10-4 game=3-3 in calculating advancement).
- d. Fewest goals allowed - team with fewest goals allowed will advance.
- e. Fewest accumulation of caution points, 1 point for yellow and 2 points for red.
- f. Penalty kicks

These tiebreaker procedures will be applied, in order, to the teams tied in points until one team is selected for advancement.

6. The "Wild Card" team is the second place team with the highest number of points. The "Wild Card" team will be determined by the following procedure in age divisions with an unequal number of teams (4-4-4; 4-3-3; etc.) in brackets. Each team in the age division will divide their points by total games scheduled to determine the team with the highest percentage. The team with the highest percentage will advance to the next level of play. In the event of a percentage tie between teams, then the tiebreaker procedure in five (5) above will determine the "WildCard".

7. Each team must have a minimum of seven (7) players on the field to start the game. There must be a minimum of seven (7) to continue the game.

8. There will be free substitution, with the referee's consent, at the following times:

- A player receiving a yellow card (the player carded only)
- Prior to a throw-in for the team in possession only
- Prior to a goal kick
- After a goal by either team
- After an injury, when the referee stops the play
- At half-time by either team
- In case of extreme heat, at the referee's discretion

9. Any send-offs should be reported to the Tournament Committee immediately following the game. Any player or coach sent-off (other than on account of receiving two cautions in the same game) shall automatically sit out the next played tournament game with their team (unless the send-off occurred in the last game of the tournament for that player or coach, in which case such player or coach would be required to sit out their next scheduled game played). If the send-off was for fighting, or if it is the player's second tournament send-off, the player will be suspended from the remainder of the tournament. Any player receiving three (3) cautions (yellow cards) in the tournament must sit out the next played tournament game with their team (unless the third caution occurred in the last game of the tournament for that player or coach, in which case such player or coach would be required to sit out their next scheduled game played). The GWFSA Cup & Games A&D Committee has the right to hold a hearing and increase the suspension at its discretion.

10. All referee decisions are final. No protests will be allowed, except for ineligible player.

11. The tournament director, or their designee, is empowered to make all decisions regarding the competition during the tournament.

12. The decision of the Chairman of Cup & Games or Tournament Director is final in all matters. No appeals will be allowed beyond that point.

13. In the event the referee or linesmen are missing from the field, report immediately to your Field Coordinator. In the event the linesmen are not available, each team is required to provide a "club linesman".

14. If a game is played into the second half but is stopped short of full time, other than acts on the part of one of the teams, the game shall be considered complete. Full-length games, if tied will be determined by the tiebreaker procedure.

15. In the event of inclement weather, format for tournament play and/or completion of the tournament will be determined by the tournament committee.

16. All scores will be turned in to the Tournament Director by the coach of the winning team and the referee immediately following each game.

17. Any team that withdraws from a tournament after week seven (7) of the regular season or does not complete all

required scheduled games, will forfeit their performance bond.

18. To be eligible to represent GWFSA at the tournament of champions, a team must play in the fall season and win the post season tournament unless there is only one team in the age division and present a performance bond in the amount which the GWFSA has to present to NTSSA when entering a team. The bond will be refunded if all games are completed at the NTSSA tournament. The bond will be forfeited to the association's treasury if the team does not complete the games at the NTSSA tournament.

19. Every player must play fifty (50) per cent of the each game including any overtime periods.

Article 3 Conduct

Section 1. Conduct on the Field

A Any case of misconduct on the field of play, which is reported, shall be reviewed by the A&D Committee. These reports shall be written within seventy two (72) hours of the incident. The A&D Committee shall impose appropriate disciplinary measures to prevent any recurrence of each misconduct.

B Referees shall report to the 1st Vice President (A&D Chairman) any violations of the rules and regulations by players, team officials, or fans. These reports must be made within forty eight (48) hours of the incident.

C Youth Cumulative Card System (Includes Coaches and Assistant Coaches):

The GWFSA shall operate the NTSSA Cumulative Card System as fully stated in the NTSSA administrative rule book, such System being summarized as follows:

A "CUMULATIVE CARD SYSTEM" in league play will be operated as follows:

a. **Yellow Cards** One game automatic suspension for the game following an individual's third league play yellow card. Two game automatic suspension for the game following such individual's fifth league play yellow card. One game automatic suspension for the game following such individual's sixth league play yellow card.

NOTE: A player/coach/assistant coach receiving a second yellow card in a single game is suspended for the balance of that game, and those two yellow cards are then added to such individual's previous total of league play yellow cards to determine whether additional game suspensions, if any, are required. Red cards issued solely as a result of a second yellow in a single game will not be added to such individual's league play red card total.

b. **Red Cards** One game automatic suspension for the game following an individual's first league play red card. Automatic suspension, pending a hearing, from all NTSSA-sanctioned activities following such individual's second league play red card. Red cards issued *solely* as a result of a second yellow card in a single game will not be added to such individual's league play red card total.

NOTE: In cases where, during a single game, an individual receives a yellow card followed by a "straight red card" (as opposed to a red card issued solely as a result of a second yellow) both cards will be added to such individual's respective total of league play red and yellow cards and punished accordingly. If Playing League's A & D Committee determines that a red card was issued for an infraction that was not an "expulsion" offense in accordance with the IFAB Laws of the Game, such A & D Committee may reduce the red card to a yellow card and assess sanctions accordingly. The Playing League may not, however, do away with the card altogether. A full report of this action must be sent to NTSSA.

c. **Seventh Card** Any individual obtaining a seventh card in league play (meaning any combination of yellow and red cards totaling seven) shall be immediately suspended pending a hearing from all NTSSA sanctioned activities.

3. A "CUMULATIVE CARD SYSTEM" for each tournament will be operated as follows:

a. **Yellow Cards** One game automatic suspension for the game following an individual's third yellow card. Two game automatic suspension for the game following such individual's fifth yellow card of the tournament. One game automatic suspension for the game following such individual's sixth yellow card of the tournament.

NOTE: A player/coach/assistant coach receiving a second yellow card in a single game is suspended for the balance of that game, and those two yellow cards are then added to such individual's previous total of yellow cards for that tournament to determine whether additional game suspensions, if any, are required. Red cards issued solely as a result of a second yellow in a

single game will not be added to such individual's tournament play red card total.

b. **Red Cards** One game automatic suspension for the game following an individual's first red card of the tournament. Automatic suspension, pending a hearing, from all NTSSA-sanctioned activities following such individual's second red card of the tournament. Red cards issued solely as a result of a second yellow card in a single game will not be added to such individual's tournament play red card total.

NOTE: In cases where, during a single game, an individual receives a yellow card followed by a "straight red card" (as opposed to a red card issued solely as a result of a second yellow) both cards will be added to such individual's respective total of tournament play red and yellow cards and punished accordingly. If Tournament Officials determine a red card was issued for an infraction that was not an "expulsion" offense in accordance with the IFAB Laws of the Game, such officials may reduce the red card to a yellow card and assess sanctions accordingly. The Tournament Officials may not, however, do away with the card altogether. A full report of this action must be sent to NTSSA.

c. **Seventh Card** Any individual obtaining a seventh card in tournament play shall be immediately suspended pending a hearing with GWFSA A&D Committee (meaning any combination of yellow and red cards totaling seven)

The "CUMULATIVE CARD SYSTEM" prescribed by these rules defines the minimum disciplinary punishment to be taken by GWFSA, Playing Leagues and Tournament Officials. Nothing herein prevents GWFSA, Playing Leagues or Tournament Officials from enacting more severe sanctions. Each case should be judged on its own set of circumstances and degree of misconduct or violence, the latter of which must be dealt with swiftly and severely.

Any misconduct by a Coach justifying a report by a referee or any other person shall be directed to the State Appeals and Disciplinary Committee as well as to the GWFSA. The GWFSA shall promptly (within ten (10) days after receipt of the report) rule on the report and send its decision to the State A&D Committee. The State A&D Committee will determine the extent of the punishment, if any, in addition to that taken by the Member Association

The State A&D Committee will make its decision based entirely upon the written reports before it, including that of the affected coach, should he or she submit a report. Hearings will not be held by the Committee unless it chooses to call one of its own volition.

A coach whose conduct is less than exemplary to his or her players, parents and spectators will be firmly dealt with by the GWFSA and the State A & D Committee.

Game suspensions for Yellow and Red cards (as set forth above) are to be served by the player/coach/assistant coach at the next scheduled game (including league, playoff, championship, cup, and local or state tournament games) that such individual's team is involved in. A suspension imposed by these rules shall be recognized by all affiliated organizations after proper notification. The lack of a hearing or referee report on the offense shall not affect such individual's suspension.

All game suspensions must be reported immediately to the State A&D Committee. GWFSA Officials making the report will forward a copy of any referee's Misconduct Report(s) which underlie the suspension. The State A&D Committee will determine the extent of punishment, if any, in addition to that prescribed by the Member Association, Playing League or Tournament Officials, taking into consideration the severity of the misconduct.

The State A&D Committee will issue its decision based entirely upon the officials' reports and any other written reports before it, including that of the affected individual, should he or she submit a report. A hearing will not be held by the State A&D Committee unless it, of its own volition, chooses to call one because of the nature of the case.

Extreme Violent Conduct

a. GWFSA or Tournament Officials are directed to extend severe punishment to those players, coaches, and assistant coaches guilty of extreme violent conduct while participating in a match and for violence toward any person or property after being ejected, while on the touchline, or approaching or leaving the game site.

D 3.11.3 Misconduct of Adult Players/Coaches/Assistant Coaches

1. GWFSA is directed to operate and keep records on a twelve (12) point "CUMULATIVE TWELVE (12) POINT SYSTEM" for all player/coaches/assistant coaches. Offenses resulting in the cautioning of a player/coach/assistant coach by the referee (yellow card) are allowed points according to their seriousness ranging from one (1) to four (4) points. Appeals of cautions (yellow cards) are not allowed except when the referee admits he made an error in the issuance of the

caution. Points are cumulative during each soccer season. When a given player/coach/assistant coach accumulates twelve (12) points sanctions are applied as described in Rule 3.11.3 (3). A player transferring to another team will carry over his or her accumulated points to his or her new team. Reports of these disciplinary actions are to be sent to the State Appeals and Disciplinary Committee at North Texas State Soccer Association Office.

***NOTE:** If GWFSA A&D Committee determines that a red card was issued for an infraction that was not an “expulsion” offense in accordance with the IFAB Laws of the Game, GWFSA may reduce the red card to a yellow card and assess points for the yellow card. The Member Association may not, however, do away with the card altogether. A full report of this action must be sent to NTSSA.*

The **CAUTION** points are to be allocated as follows:

a. FOUR POINTS

- 1) Deliberate tripping, tripping and other “tactical”, deliberate, physical fouls.
- 2) Foul tackle from behind.

5. FINES

a. All fines must be paid before the player is eligible to participate in any future games for the team for which he /she played when receiving the red card.

***NOTE:** This is the **minimum** disciplinary punishment taken by GWFSA on ejections. Nothing*

herein prevents GWFSA from enacting more severe sanctions. Each case should be judged on its own set of circumstances and degree of misconduct or violence, the latter of which must be dealt with swiftly and severely.

6. Any misconduct by a Coach justifying a report by a referee or any other person shall be directed to the State Appeals and Disciplinary Committee as well as the GWFSA. The GWFSA shall promptly (within ten (10) days after receipt of the report) rule on the report and send its decision to the State A&D Committee. The Committee will determine the extent of the punishment, if any, in addition to that taken by the GWFSA.

7. The State A&D Committee will make its decision based entirely upon the written reports before it, including that of the affected coach, should he or she submit a report. Hearings will not be held by the Committee unless it, of its own volition, chooses to call one.

8. A coach whose conduct is not considered to be exemplary to his or her players, parents and spectators will be firmly dealt with by the A&D Committee of both the GWFSA and the NTSSA.

9. Game suspensions for caution points and/or expulsions:

The suspension is to be served by the player/coach/assistant coach/manager/or team representative at the next scheduled game (regular league games, makeup league game, playoff, championship, cup games, local or state tournament game) that the team for which the player was playing when the red card was given is involved in. A suspension imposed by GWFSA shall be recognized by all affiliated organizations after proper notification. The lack of a hearing or referee report on the suspension/expulsion of the offender shall not nullify his suspension (to sit out) the next game.

10. All game suspensions must be reported to the State. When an ejection or game suspension under the caution point system is issued to a player, the GWFSA will forward a copy of the referee's Misconduct Report of the ejection or a copy of the league's Disciplinary Committee report on suspension due to the excessive Caution Points directly to the **NTSSA State Appeals and Disciplinary Committee**, together with the action taken by the GWFSA. The State A&D Committee will determine the extent of punishment, if any, in addition to that prescribed by the GWFSA, taking into consideration the severity of the misconduct. Each additional caution and/or ejection of said player during the remainder of the soccer year will also be forwarded to the Committee for review and possible further action.

11. The **NTSSA Appeals and Disciplinary Committee** will issue its decision based entirely upon the officials' reports and any other written reports before it, including that of the affected player, should he or she submit a report. A hearing will not be held by the Committee unless it, of its own volition, chooses to call one because of the nature of the case.

12. Extreme Violent Conduct:

The GWFSA Appeals and Disciplinary Committee is directed to extend severe punishment to those players, coaches, and assistant coaches guilty of extreme violent conduct while participating in a match and for violence toward any person or property after being ejected, while on the touchline, or approaching or leaving the game site.

E 3.11.4 Misconduct of Spectators

1. Each team (youth and adult) in GWFSA is responsible for the conduct of its spectators. The referee shall have the authority to caution and/or send off the coach or acting coach from the field for the misconduct of the spectators associated with the team. Therefore, the coach/assistant coach/team manager is expected to control his spectators, especially on non-enclosed fields. If he is unable to do so, GWFSA is directed to take appropriate actions toward the identifiable, unruly spectator, or if unidentifiable, towards the team itself. GWFSA shall report spectator misconduct to the State A&D Committee for review and further action if warranted.

2. Suggested action for misconduct of spectators is:

- a. Suspend the spectator from attending future matches.

The team will be fined \$100 payable to NTSSA within thirty (30) days of receiving notice of the seventh send-off or any combination of cards totaling twenty-five (25). The coach and the players of said team may also be required to appear before the GWFSA A&D Committee to explain the team's continued misconduct. If desired, GWFSA may waive the holding of a local hearing and refer the matter to the State A&D Committee. Failure of GWFSA to notify the State A&D Committee within fourteen (14) calendar days of a team's seventh send-off or any combination of cards totaling twenty-five (25) will result in a fine of \$100 per week for each week such notice is late. Red cards or send-offs assessed against that team's spectators or against that team during tournament play will be reviewed to ascertain team misconduct tendencies.

b. When the players/coaches/assistant coaches of a given team have accumulated a total of four (4) send-offs in a tournament (*including* red cards issued as a result of an individual receiving two yellow cards in a single game) Tournament Officials shall notify the team and the State A & D Committee. The team will be fined \$100 payable to NTSSA within thirty (30) days of receiving notice of the fourth send-off. The coach and the players of said team may also be required to appear before the committee to explain the team's continued misconduct. Failure of Tournament Officials to notify the State A&D Committee within fourteen (14) calendar days of a team's fourth will result in a fine of \$100 per week for each week such notice is late. Red Cards or send-offs assessed against that team's spectators or against that team during league play will be reviewed to ascertain team misconduct tendencies.

2. Adult Association Teams a. When the players/coaches/team representatives/spectators of a given team have accumulated a combined point limit for that team, based on five (5) points per scheduled league game, per season, as described in the "**CUMULATIVE TWELVE (12) POINT SYSTEM**", the Adult Member Association will notify the North Texas State Soccer Association Appeals & Disciplinary Committee. (Example: For a ten (10) game season, the combined point limit will be fifty (50) points.) The team will be required to appear before the NTSSA Appeals & Disciplinary Committee to explain the team's continued misconduct.

b. The GWFSA will not hesitate to deny teams, coaches, managers, team representatives or players within its jurisdiction, the privilege of further participation in all or selected soccer activities within its jurisdiction for repeated offenses and for serious offenses considered to bring the game into disrepute. A probation period and/or other sanctions may be rendered to teams, coaches, managers, team representatives or players for violation of this rule.

3. All Association Teams

a. The GWFSA holds the team and coach jointly responsible for the conduct of his other players, parents, and spectators.

b. A coach whose conduct is not considered to be exemplary to his or her players, parents and spectators will be firmly dealt with by the A&D Committee of both the GWFSA and the NTSSA.

This subcommittee, chaired by the NTSSA A&D Committee Chairman, shall review and investigate the report(s) as submitted, and upon proper investigation shall determine the seriousness of the alleged assault/abuse report(s) in a timely manner.

3. Should the majority of the members of the subcommittee listed above in Paragraph 3.11.7.2 of

the NTSSA By Laws determine there is sufficient evidence to consider the incident referee assault or referee abuse, a formal hearing will be held within thirty (30) days of verification of the incident. An intentional act upon or towards a game official as defined in Paragraph 3.11.7.1 of the NTSSA By Laws shall be deemed “referee assault” or “referee abuse” in the NTSSA under the terms, references, and conditions of USSF Policy 531-9.

If the subcommittee determines there is sufficient evidence to consider the incident referee assault, the committee, at its discretion, may suspend the individual involved until the hearing on the alleged assault.

Should the subcommittee, as noted in Paragraph 3.11.7-2 above, determine the action committed to be Misconduct Towards a Referee rather than Referee Assault or Referee Abuse, it shall impose an administrative punishment of a three (3) game suspension. A formal hearing will not be held unless it is requested by the suspended party. Should a formal hearing be requested and held, it shall be an NTSSA Executive Committee hearing as described in Paragraph 3.11.7.4.

This cash bond will be required to be posted before the team may engage in any further games within the boundaries of **NTSSA**. Should any other member of said team be found guilty of a referee assault during that one (1) year period, the team shall forfeit the bond, and another similar bond will be required before the team can continue in competition. If no member of the team commits a referee assault during that one (1) year period, the bond will be returned to the person or persons designated to receive such payment. No member of such team which has failed to post such bond will be permitted to register with another team until that member has posted a \$50 bond with **NTSSA**; nor shall any new member be allowed to register on that team until such member has posted a \$50 bond, such bonds to be held under the same terms and conditions as the team bonds.

(The term "Coach" shall include, but is not limited to Head Coach, Assistant Coach(s), Manager/Trainer and/or Team Representative.)

ARTICLE I - RESPONSIBILITIES TO PLAYERS

1. The coach must never place the value of winning over the safety and welfare of players. Winning should be the result of preparation and discipline with emphasis placed on the highest ideals and character traits.
2. Coaches shall instruct players to play within the written laws of the game and within the spirit of the game at all times.

3. Coaches shall not seek unfair advantage by teaching deliberate unsportsmanlike behavior to players.

Under no circumstances should coaches authorize or encourage the use of medicinal or performance enhancing drugs, or supplements of any kind whether legal or illegal, prescription, or over-the-counter. Medication and supplementation of any kind should be the responsibility of the parents and/or legal guardian. Players should be directed to seek proper medical attention for injuries and to follow the physician's instructions regarding treatment and recovery. At no time should a player be put at risk by returning from injury prematurely or by being forced to play while injured.
8. A coach's dealings with players and parents must be upfront, honest, and forthright. Coaches must always be honest and refrain from misrepresentations to players and parents.

ARTICLE II - RESPONSIBILITY TO NTSSA AND GWFSA

3. Coaches are responsible for their players' actions on the field and must not permit them to perform with the intent of causing injury to opposing players.
4. If coaches permit, encourage, or condone performance that is not in the letter or spirit of the laws, they are derelict in their responsibility to players, GWFSA, NTSSA and the sport worldwide. The coach must strive constantly to teach good sporting behavior.

2. Rival coaches should meet prior to the game and exchange friendly or professional greetings. While the concept of rivalry is wholly embraced, it cannot take precedence over exemplary professional conduct.
3. During play, coaches have a responsibility to be as inconspicuous as possible. Coaches shall exhibit a respectful attitude towards players. The coach must confine him/herself to the coaching area. The attitude of the coach towards officials, spectators, opposing players and coaches should be controlled and undemonstrative.
4. It shall be unethical for a coach to have any verbal altercation with an opposing coach or bench during the game. Hostile physical contact with a player is considered highly unethical.
5. The coach's foremost post-game responsibility is his/her team.
6. Coaches should use their influence on unfriendly spectators that demonstrate intimidating behavior towards officials and opposing teams.
7. Coaches must act in a professional manner at all times when in the presence of players, whether at games, practices, or in any other setting. A coach demonstrating behavior that could be considered by a reasonable person to be irrational, inappropriate, or unbecoming an adult will not be tolerated. Examples of such behavior include, but are not limited to, the following:
 - Lewd gestures or remarks

- Overly critical remarks
- Ranting and raving
- Snide or demeaning remarks
- Threatening behavior or remarks
- Physical confrontations
- Temper outbursts

GWFSFA PARENT'S CODE OF CONDUCT

1. Children have more need for example than for criticism. Attempt to relieve the pressure of the competition, not increase it. A child is easily affected by outside influences.
2. Be kind to your child's coach and officials. The coach is a volunteer, giving of personal time and money to provide a recreational activity for your child. The opponents are necessary friends; without them your child could not participate.
3. Applaud good plays by your team and by members of the opposing team.
4. Do not openly question an official's judgment and honesty. Officials are symbols of fair play, integrity, and sportsmanship.
5. Accept the results of each game. Encourage your child to be gracious in victory, and to turn defeat into victory by working towards improvement.
6. Remember your child is involved in organized sports for their enjoyment, **NOT YOURS!**
7. Encourage your child to always play by the rules.
8. Teach your child that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.
9. Remember that your child learns by example. Children mimic what their parents say. Criticism of the coach, officials, teammates, and/or opponents fosters bad attitudes and can only lead to a negative experience for your child.
10. Parents should remember that a coach has an entire team of players to consider when making decisions regarding position, playing time, substitutions, and strategy. The team does not revolve around one player.
